Water Audit & Water Loss Improvement Steps:

Utility to provide steps taken in preceding year to increase data validity, reduce real loss and apparent loss, as informed by the annual validated water audit:

Meter testing equipment that was purchased in preceding year was installed in City Ops yard. City staff received training and are now bench testing and replacing existing meters as needed. Worked with Finance staff to determine most efficient method to run financial data report to prorate customer meter reads, which are predominately read bi-monthly, so they better align with imported water purchase meter reads, which are recorded daily.

Certification Statement by Utility Executive:

This water loss audit report meets the requirements of California Code of Regulations Title 23, Division 2, Chapter 7 and the California Water Code Section 10608.34 and has been prepared in accordance with the method adopted by the American Water Works Association, as contained in their manual, *Water Audit and Loss Control Programs, Manual M36, Fourth Edition* and in the Free Water Audit Software.
